# WHAT IS ORBIS™

Orbis™ is The Vita Group's closed-loop solution foam range and is part of our next-generation offerings.

The Vita Group is the leader of innovation and sustainability within the flexible PU foam industry. Partnering with key stakeholders from across the value chain we developed Orbis™, Europe's first foam which incorporates recycled content, from end-of-life foam products.

## BENEFITS

A direct swap with conventional foam.

Reduced CO<sub>2</sub> emissions.

Contains recycled content.

Fully circular.

## APPLICATIONS

Bedding

Furniture

Industrial

Mobility

## RANGE
